Media Services  Student Check Out Authorization Form

This form is for American University faculty members to use to authorize students to check out videos for class presentations.

This is not a dynamic form and cannot be sent to the library electronically because it requires a written faculty signature.

It must be printed and signed by the faculty member and the student then presents it at the Media Services desk to check out items.

For more information, see Faculty Services.

Directions:

1. Fill in all fields under both student information and faculty information
2. Print out the form by choosing "Print" from your browser
3. Sign the form where it says "Faculty Signature"
4. The student must present this form when he/she borrows the item for his/her presentation
