The student listed below has informed International Student and Scholar Services (ISSS) that he/she requires additional time to complete his/her program. Citizenship and Immigration Services (USCIS) will permit our office to extend a student's program completion date for *compelling* academic or medical reasons [8 CFR 214.2(f)(7)(iii)]. Delays caused by academic probation or suspension are not acceptable reasons for program extension.

In the space provided, please describe the reasons that justify additional full-time study in the program.
