All intersession courses must end by the day prior to the beginning of the Spring semester.

27. Setting Add/Drop/Withdrawal and Refund dates for Summer

The formula for the drop dates for (A, B, D, E, and F) sessions

- (Last day to drop with a 100% refund without a "W" recorded) = (7-calendar days from the last day for registration without late fee)
- (Last day to drop with a 50% refund) = (7-calendar days from the Last day to drop with a 100% refund without a "W" recorded)
- (Last day to drop a class) = (7-calendar days from the Last day to drop with a 50% refund)

The formula for the drop dates for (C) sessions

- (Last day to drop with a 100% refund without a "W" recorded) = (1-calendar day from the session begin date)
- (Last day to drop with a 50% refund) = (3-calendar days from the Last day to drop with a 100% refund without a "W" recorded)
- (Last day to drop a class) = (5-calendar days from the Last day to drop with a 50% refund)

The Last Day for Registration without a Late Fee will be the Friday before the session begins.

The Last Day for Late Registration will be two days after the session begins (one day for session C).

The Last Day to Make Changes is the same day as the Last Day to Drop with 100% Refund and w/o a "W"
