FINANCIAL AID AT AU

Deciding where to attend college can be both exciting and challenging. Among the many factors to consider are academics, size, location, and cost. We understand that paying for a college education is a significant financial commitment. American University offers a comprehensive financial aid program based on recognition of both academic excellence and demonstrated financial need. We work with students and their families to supplement their financial resources and make an AU education possible.

This guide provides information about the cost of attendance and how it is calculated, the types of aid available at AU, financial aid applications and deadlines, and eligibility.

If you have questions, please don't hesitate to contact us. American University's Office of Financial Aid is here to help you navigate the financial aid process every step of the way.

AMERICAN PAYMENT PLAN

AU offers the optional American Payment Plan (APP) to all students. An alternative to paying in full at the start of each term, the APP divides your fall or spring semester balance into convenient, interest-free monthly payments. By budgeting ahead for the upcoming term, you may be able to reduce your loan amount for the school year. Call AU Central at 202-885-8000.

FINANCIAL AID OPTIONS

American University provides financial aid from the two categories available to undergraduate students: need- and merit-based. We encourage you to apply for private scholarships through local businesses, churches, or civic groups or through your employer or credit union. FREQUENTLY ASKED QUESTIONS

HOW IS MY FINANCIAL NEED DETERMINED?

The Department of Education uses data reported on the FAFSA to determine the Expected Family Contribution (EFC). Your financial need is determined by subtracting your EFC from the cost of attending the university for an academic year:

TOTAL COST OF ATTENDANCE (-) EXPECTED FAMILY CONTRIBUTION

(=) FINANCIAL NEED

For university-funded aid, the Office of Financial Aid estimates a reasonable family contribution based on the data from your FAFSA and CSS/Financial Aid PROFILE®. This consists of an estimated amount you can contribute from your own resources, plus an amount your parents can reasonably contribute from their resources.

HOW ARE MY RESOURCES DETERMINED?

Your resources include wages, salary, tips, interest, dividends, and other income. Your savings and other assets are also used to determine your available resources for educational expenses. When determining your eligibility for university funds, we estimate you will be able to save a minimum of \$1,200 from your earnings to apply to your educational expenses for the academic year.

HOW ARE MY PARENTS' RESOURCES DETERMINED?

Your parents' resources include wages, salary, tips, interest, dividends, pension payments, welfare benefits, Social Security benefits, and other income. Assets may also include business or farm equity, other real estate equity, checking or savings accounts, and other investments. AU also considers home equity and other assets in determining eligibility.

HOW IS MY EXPECTED FAMILY CONTRIBUTION (EFC) DETERMINED?

STUDENT CONTRIBUTION (+) PARENT CONTRIBUTION

(=) EXPECTED FAMILY CONTRIBUTION (EFC)

The EFC measures your family's financial strength. The federal formula, which calculates your EFC, includes standard allowances such as these: deductions for federal, state, and local taxes; employment of both parents or a single parent working outside the home; your parents' ages and marital status; number of family members in the household and enrolled in college at least half-time; and standard cost-of-living and retirement income needs. If your family has unusual circumstances, such as the loss of a job, contact the Office of Financial Aid as soon as possible.

HOW AND WHEN AM I NOTIFIED OF MY FINANCIAL AID ELIGIBILITY?

When you have been admitted to the university and your application for financial aid is complete, we will notify you of your estimated financial aid award by mail. Financial aid awards are usually made for an academic year. After reviewing your award letter, you must decide whether to accept or decline all or part of your financial aid award.

WHY IS MY AWARD ONLY ESTIMATED?

Your award is an estimate because it is based on unverified information provided on the FAFSA and the CSS PROFILE. Your award is finalized once we have received and reviewed your parents' 2016 federal IRS tax transcript(s), your 2016 federal IRS tax transcript, other supporting documentation, and any other information we have requested. Your estimated award amounts are subject to change if we discover conflicting information during the verification process.

MAY I APPLY FOR FINANCIAL AID IF I AM APPLYING FOR ADMISSION FOR THE SPRING SEMESTER?

Funds are limited; we encourage you to contact us for current information regarding availability of funding for students beginning course work in the spring. You may also want to discuss available alternatives to finance your education for this term.

MAY I APPLY FOR FINANCIAL AID FOR THE SUMMER SEMESTER?

Only loans and Federal Work-Study are available for summer sessions. Applications for summer financial aid are available after April 1 at american.edu/financialaid.

IS FINANCIAL AID AVAILABLE FOR STUDENTS STUDYING ABROAD?

Federal Title IV financial aid for which a student is eligible may be used for any AU Abroad program. Students should contact the Office of Financial Aid for information regarding their eligibility. American University scholarships and grants may only be used for study abroad programs offered by AU and for which tuition and fees are paid directly to the university.

HOW DO I REMAIN ELIGIBLE FOR FINANCIAL AID AT AU?

You must apply for financial aid each year, continue to meet all published deadlines and requirements, and maintain satisfactory academic progress (SAP) to remain eligible for your awards. American University will make every effort to award financial aid funds to you as long as you continue to demonstrate the same level of financial need. However, a change in your family's income, number of family members in college, outside resources, or household size may result in an adjustment in your financial aid award from year to year. You must maintain the prescribed grade-point average, complete the appropriate number of credit hours, and be enrolled on a full-time basis. Review all renewal requirements in our Satisfactory Academic Progress policy at american.edu/financialaid/satisfactoryprogress.cfm.
