Conservatives Face Tougher Time in Elections as Urban Burbs Take on City Trends

In post-election analysis, Washington Post online's Govbeat blog and PBS Newshour featured American Communities Project director Dante Chinni's research which identifies 15 types of counties in America including the suburbs, exurbs, college towns, big cities and the aging farmlands and how the populations in these districts tend to vote. Chinni used these designations to explain how recent candidates used their knowledge of these counties to win their elections. (11/8, 11/12)
