## PREFACE

The Office of Institutional Research is pleased to present the 2004-2005 edition of the *Academic Data Reference Book* (ADRB). The current addition joins the 34 previous issues to form a continuum of information about the academic aspects of American University. The goal of this publication is to provide the community with reliable and useful information about enrollment, faculty, and related academic topics.

In order to make the ADRB more widely available, ADRB tables from 1999 to the present are also on the web. The web version of the ADRB can be accessed at: <http://www.american.edu/academic.depts/provost/oir/adrb>.

The Office of Institutional Research and Assessment extends its thanks to those individuals and offices that contributed suggestions, information, and other assistance in the preparation of the 2004-2005 *Academic Data Reference Book*. Please feel free to contact Karen Froslid Jones at (202) 885-6155 if you have any suggestions, comments or questions regarding this publication.

Excluded are administrative officers with faculty rank, faculty on leave without pay, faculty on disability, research faculty, library faculty, and faculty not paid by the university.

*The AAUP rating scale from highest to lowest is as follows: 1\*, 1, 2, 3, 4, 5. Current year not available.*
