PREFACE

The Office of Institutional Research is pleased to present the 2015-2016 edition of the *Academic Data Reference Book* (ADRB). The current edition joins 45 previous issues to form a continuum of information about academic aspects of American University. In 1971 the ADRB was described as an ‘experimental’ first edition and the goal of current publication follows the tradition established 45 years ago. It evolves along in providing the community with reliable and useful information related to these 6 sections: student enrollment, admission, retention and graduation rates, degrees conferred, course enrollment, and faculty.

The web version of the ADRB, which includes consecutive historical editions beginning in 2005 and some editions dating back to 1971, can be accessed from the historical editions of the OIRA website. Please check this site occasionally for any updates or revisions to this report.

The Office of Institutional Research and Assessment extends its thanks to those individuals and offices that contributed suggestions, information, and other assistance in the preparation of the 2015-2016 *Academic Data Reference Book*. Please feel free to contact Karen Froslid Jones at (202) 885-6155 or kfroslid@american.edu if you have any suggestions, comments, or questions regarding this publication.

DEFINITIONS

Abroad at AU	Program for students from other countries who want to study at AU for a limited period of time, usually a year or a semester. Abroad at AU students are non-degree.
AU Abroad	Program allowing AU undergraduate students to study abroad in an AU-sponsored program.
Census Date	The day on which AU takes a snapshot of student data to ensure consistent reporting for each semester. The fall and spring census dates are at the end of the fifth week of classes for those semesters. The summer census date is the same as the fall census date. All admission and enrollment reporting in the ADRB is as of the census date.
Full-time	Student status that is derived by student term credit hours: undergraduate, degree-seeking, nondegree, and certificate students and law students taking 12 or more credit hours; graduate degree-seeking, nondegree and certificate students taking 9 or more credit hours during fall and spring, and 4 or more credit hours during summer. (Full-time is 4 credit hours for graduate students as of summer 2013).
Full-time Equivalent	The number of full-time students, plus the total student credit hours of part-time students divided by the minimum number of credits to be considered a full-time student at the same academic level. (Note: This calculation changed in 2009 so care should be taken when making historical comparisons.)
Full-time Faculty	An AU employee hired full-time in a faculty position. Full-time faculty can fall into one of several categories including teaching, administrative, library, and research depending upon their primary responsibilities as defined in their contract.
Full-time Teaching Faculty	Full-time faculty where the majority percentage of their time is to be devoted to teaching, with smaller percentages for scholarly research and service.
Hybrid Course	A course in which portions of instruction are delivered in a physical environment as well as online.
Law	Includes all students in the Washington College of Law, including JD, LL.M., SJD, nondegree, and certificate.

Maintaining Matriculation	One of three enrollment options for graduate students not enrolled in credit course work but utilizing university services which allows graduate students to maintain their enrollment. (The other options are Continuing Enrollment and Doctoral Dissertation enrollment.)
New Student	A student admitted to AU who has not previously been enrolled at AU at the admitted academic level.
Non-AU AU Abroad	Program allowing non-AU students to study abroad through an AU-sponsored program.
Nondegree	Students enrolled in regular university courses who have not been admitted to a degree program. Unless otherwise noted, excludes law.
Online Course	A course in which instruction is not delivered in a physical environment.
Part-time	Undergraduate, degree-seeking, nondegree and certificate students and law students taking fewer than 12 credit hours. Graduate degree-seeking, nondegree, and certificate students taking fewer than 9 credit hours during fall and spring semester; less than 4 during summer sessions (As of summer 2013).
Term Faculty	Full-time faculty who are not tenured nor on tenure track.
Student Credit Hours	The sum of the credit hours per student course registration.

*First generation based upon responses to admissions application questions regarding parents' education.

**Students who began in the Honors Program as freshmen. Students may opt-out of the program after initial enrollment yet remain enrolled at AU.
