

**CAREN ALYSE GROWN
ECONOMIST-IN-RESIDENCE
DEPARTMENT OF ECONOMICS
AMERICAN UNIVERSITY**

CURRICULUM VITAE

ADDRESS

Department of Economics
American University
Roper #205
4400 Massachusetts Avenue, N.W.
Washington, D.C. 20016
Tel: 202-885-3789
E-mail: cgrown@american.edu

EDUCATION

PhD, Economics, New School for Social Research, Awarded January 1992
Fields: Labor Economics, Development Economics, Class and Gender
Dissertation Title: "What Is A Small Firm? Segmentation among Non-Core Enterprises in the United States, 1982-1986"

MA, Economics, New School for Social Research, Awarded June, 1985

BA, Political Science, University of California, Los Angeles, Magna Cum Laude, Awarded January, 1980

Institut d'Etudes Politiques, University of Bordeaux III, France (non-degree program, 1977-1978)

PROFESSIONAL EXPERIENCE

American University

2007-Present

Economist-In-Residence, Dept. of Economics

Teach graduate and undergraduate courses on Development Economics and Gender Perspectives on Economic Analysis, direct research project on "Gender and Taxation: Improving Revenue Collection and Social Protection," assist Department to create graduate Program on Gender Analysis in Economics.

Levy Economics Institute, Bard College

2005-2007

Senior Scholar and Co-Director, Gender Equality and Economy Program

Developed a program consisting of research projects, an annual symposium, publications, research associates and visiting scholars. Designed courses on gender and economics and advised on structure of a possible PhD program at the Levy Institute.

International Center for Research on Women

2001- 2005

Director, Poverty Reduction and Economic Governance Team

Directed a team of economists conducting research on asset accumulation and women's property rights, the impact of multilateral and national economic policies on gender equality and women's status, and adolescent employment. Responsibilities included developing and directing research, fundraising, personnel management, public speaking, and institutional development.

John D. and Catherine T. MacArthur Foundation

1992- 2001

Senior Program Officer, Program on Global Security and Sustainability (1998-2001)

Organized and managed a competition for collaborative research on governance in the context of globalization. Awarded grants related to environmental economics. Participated on team that developed a new initiative on higher education in Nigeria.

Senior Program Officer, General Program and Program on Human and Community Development (1994-1998)

Conceived and implemented a five -year Foundation-wide initiative awarding grants for research, graduate training and communication/application of new ideas in economics. Portfolio included five research networks on various dimensions of growing inequality within and between countries, the economics of families, and the evolution of individual preferences and social norms, as well as project research on economic globalization and social policy. Developed grants for programs to assist graduate students transition to applied research and to increase the number of minority Ph.D. economists.

Program Officer, Population Program (1992-1994)

Established the Fund for Leadership Development, a grant fund targeted to individuals working on new approaches to population problems in Mexico, Brazil, Nigeria, and India. Set up country offices, hired personnel, convened selection committees. Managed the Collaborative Studies Research Competition on the Human Dimensions of Global Environmental Change. Coordinated research program on population, development, and environment interactions.

Center for Economic Studies, Bureau of the Census

1990-1992

Research Economist

Conducted research and published papers on the survival and performance of small minority and women owned businesses in the U.S. Prepared statistical information for city and state economic development agencies on minority firms.

The Ms. Foundation for Women

1987-1990

Consultant, Economic Development Program

Advised on programs benefiting low-income women in the U.S., including launching the Collaborative Fund for Women's Economic Development (raised \$2 million from 12 donor institutions). Provided technical assistance and training to grassroots women's economic development organizations.

The Ford Foundation

1985-1989

Senior Writer/Editor, Women's Program Forum and Office of Program-Related Investments (1988-1989)

Edited 15 papers and wrote introduction for a special issue of *World Development* on women's income opportunities in developing countries. Organized multilateral and bilateral donor gatherings. Conducted research and made program recommendations on small business development programs in the U.S.

Consultant (1985-1988)

Evaluated and advised on women and development, and employment and income-generation programs in the U.S. and Third World for the Rural Poverty and Resources and Developing Countries Programs. Organized educational activities for the Women's Program Forum. Researched small business issues in the U.S. for the Office of Program Related Investments.

Institute of Social Studies Trust (New Delhi): DAWN Project

1984-1986

N.Y. Project Liaison/Writer

Coordinated activities of worldwide research project seeking to initiate alternative development programs and policies. Coauthored book assessing the impact of development policies on women in the Third World. Facilitated activities at the NGO Forum of the World Conference for the UN Decade for Women.

United Nations Secretariat for the World Conference for the U.N. Decade for Women 1980

Report Writer/Consultant

Member of team that reported on the Copenhagen conference in July 1980. Researched and wrote conference documents. Compiled data and performed statistical analysis of women's status worldwide.

Conference on Alternative State and Local Policies 1979

Assistant Researcher/Editor

Researched, reviewed, and summarized economic and legal studies on occupational segregation and wage discrimination. Liaison and coalition work.

HONORS AND AWARDS
