

American University Neighborhood Partnership Facilities Planning Working Group Summary

May 1st, 2024

Key Discussion Points:

- Welcome, Review Agenda and Introduction
- Meltzer Center Project Updates
- Signage Overview
- Closing Comments and Adjourn

Summary: The May Working Group meeting began with a quick word of welcome from William Clarkson and Jonathan McCann, next Jonathan detailed some additional information on the Meltzer Center project, which had its groundbreaking on March 1st. He also briefed the Working Group on AU's pending request to nearby ANCs to allow AU to do construction work during certain holidays through the duration of the project. Following this, the group reviewed updated signage plans for AU campus including newly installed signs at Lydecker Way & Tunnel. The meeting closed out with questions on the community input portal for the Meltzer Center project and an agreement that the co-chairs would discuss a potential next date for the group offline.
