

AMERICAN UNIVERSITY
ONE HUNDRED AND FORTY-FIRST COMMENCEMENT

May 8, 2021

Dear American University degree candidates:

Congratulations! American University trustees, senior leadership, faculty, staff, and alumni join me in celebrating the hard work and many accomplishments that brought you to this important day in this extraordinary year! We are excited to be celebrating you and your achievements during our events on this important day!

During your time at AU, you learned from influential scholars, pursued internships in our nation's capital, and engaged in service activities, clubs, organizations, and athletics—all while building cherished memories and making lifelong friends and being nimble and resilient to the challenges you have faced over the past year.

Your leadership skills and contributions to society are more important now than ever before, and I am confident that your American University education has prepared you to be changemakers in the changing world and to become leaders in your chosen fields. Now, we welcome you into the larger AU community of more than 135,000 alumni living in all 50 states and nearly 160 countries. We cannot wait to see how you change and improve the world.

On behalf of AU's trustees, senior leadership, faculty, staff, and alumni, we wish you all the best as you begin the next chapter of your life's story and cannot wait to welcome you back to our beautiful campus.

Congratulations!

Sylvia M. Burwell
President
