Re: ZC Case No. 11-07A – American University Further Processing Application for North Hall – Response to Zoning Commission Comments

Dear Chairman Hood and Members of the Commission:

The attached information responds to the requests for additional information which were made by the Zoning Commissioners at the February 16, 2012 public meeting. The attached materials depict the evolution of the west building elevation (facing Wesley Theological Seminary) and the north building elevation (facing Massachusetts Avenue), as well as additional perspectives of how the building will be viewed from Massachusetts Avenue.

Sincerely,

Paul A. Tummonds, Jr.
