INGRID ANDERSON

Stewardship Contracting Officer
and Procurement Analyst
US Forest Service, USDA

Ingrid Anderson is a Contracting Officer with the U.S. Forest Service working in stewardship contracting and is based out of Sisters, Oregon. Prior to switching exclusively to contracting 5 years ago, Ingrid was a forester for 15 years working in Wyoming and Colorado where she began her career with the Forest Service prior to moving to Oregon 13 years ago. Her background in forest management and contract development provided an easy transition into stewardship contracting, which accomplishes resource management objectives with a focus on restoration.

When she isn't wrapped up in the bliss of stewardship contracting, Ingrid is busy with her husband and two daughters ages 7 and 10. She enjoys camping, traveling, music and being on water.
